

TASK 29

RESEARCH PAPER RECOMMENDATION

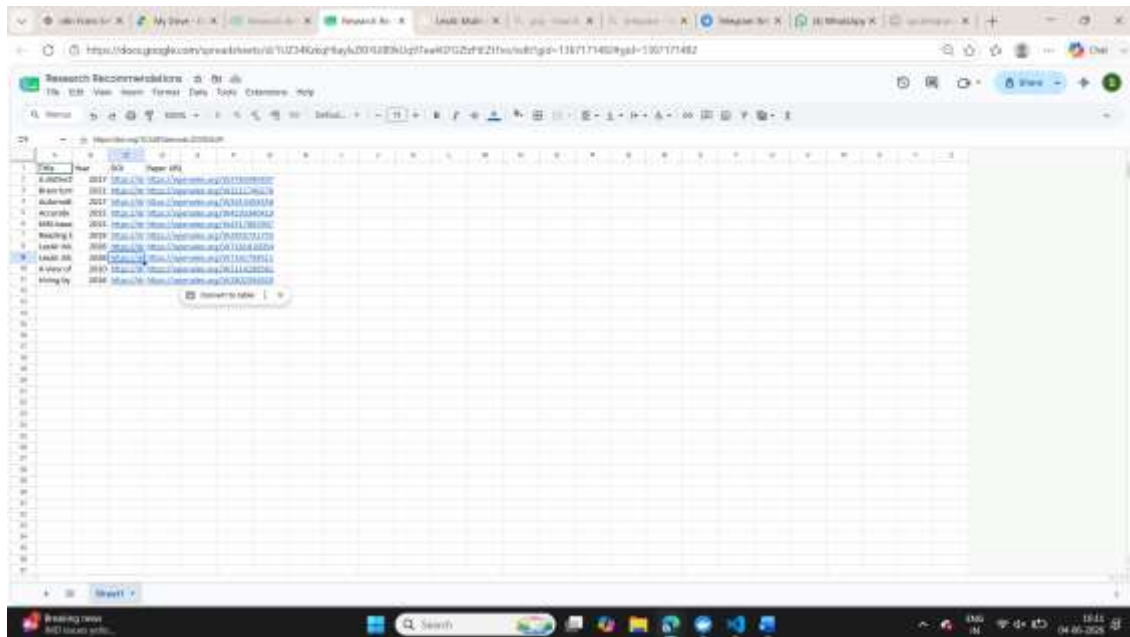

1) Execution Workflow:

2) FORM responses:

The screenshot shows the "Research Paper Recommendation System" form in a Microsoft Edge browser. The form is titled "Research Paper Recommendation System" and includes the instruction "Enter a research paper name to find similar papers." The "Paper Name" input field contains the text "Legal Reasoning platform". A red "Submit" button is located below the input field. The form is automated with n8n, as indicated by the logo at the bottom.

3) Excel worksheet:

	Title	Year	DOI	Paper URL
1	LexAI: Multi-Agent Legal Reasoning Platform Using RAG	2026	https://doi.org/10.5281/zenodo.20392639	https://openalex.org/W7161810054
